Our gins are served with Franklin & Sons tonics, carefully selected for their natural botanicals and perfect carbonation to enhance the taste.

### Elephant Gin - South Africa **£7.95**

Paired with Franklin & Sons Natural Light Tonic Water, garnished with slices of red apple. Elephant Dry Gin is distilled in Germany using 14 botanicals that include some rather unusual African ingredients like Baobab, the Buchu plant, Devil's Claw and African Woodworm. 15% of Elephant Gin's profits are donated to two elephant foundations to help protect against poaching.

### Jinzu - Scotland **£7.95**

Made with a blend of English gin (juniper, coriander, angelica, yuzu and Japanese cherry blossom) and Sake. This brings a luxurious, creamy mouth feel and a subtle compelling sweetness to its flavour.

### East India - London **£7.95**

Paired with Franklin & Sons Natural Indian Tonic Water and garnished with a slice of orange. Clean and fresh with elements of spice. Hints of juniper with a rounded, warm and gentle pepper spice.

### Monkey 47 - Germany **£7.95**

A robust and powerful with plenty of spice, fruit and herbal flavours. Lime or sage - Indidan Tonic or Ginger Ale.

### Yorkshire Lass Gin **£6.50**

A small batch gin with a Yorkshire Lass' twist. Citrus kick, with a smooth and easy finish to show just what us Yorkshire folk are all about. Serve neat over ice or with a tonic water of your choice with a wedge of grapefruit or lemon.

### Hendricks - Scotland **£6.50**

Paired with Franklin & Sons Natural Light Tonic Water and garnished with slices of cucumber. Distilled in Scotland, this is a super-premium gin with a subtly different botanical recipe of rose petals and cucumber alongside the traditional ingredients.

### Leeds Gin - Leeds **£6.50**

Initially clean, dry juniper joined by an emerging sweetness with a pleasant mellow bitterness that leads onto delicate anise tones and a dessert spice kick. Pairs perfectly with Franklin & Sons Natural Indian Tonic Water and garnished with orange.

### Slingsby Rhubarb Gin - Harrogate **£6.50**

Initial burst of refreshing rhubarb and citrus from the grapefruit base gives way to juniper before a very smooth herbaceous sweetness, led by sweet cicely and a light green tea scented with jasmine blossom. Pairs perfectly with Franklin & Sons Natural Indian Tonic Water, garnished with a twist of grapefruit peel and blueberries.

### Gin Mare - Spain **£6.50**

Paired with Franklin & Sons Natural Tonic Water and garnished with a slice of orange. Juniper with a burst of basil, rosemary and thyme emerge as well as coriander. The combination feels savoury and herbal.

### Mason's Yorkshire Tea - Beadle **£6.50**

Mason's tea edition is light on the palate with a slight citrus sharpness hitting the senses as aromas of Yorkshire Tea swirl around. Served with lemon zest.

### Tanqueray no.10 - London **£6.50**

Paired with Franklin & Sons Natural Tonic Water and a slice of grapefruit. This is the only gin made by using whole citrus fruits including white grapefruit, lime and orange. This gives the gin a unique full-bodied character and fresh flavour.

### Bombay Sapphire **£4.95**

Paired with Franklin & Sons Natural Tonic Water and garnished with a lime wedge. Juniper, coriander, angelica, almonds, cubeb berries, lemon peel, orris, liquorice, cassia bark and gran of paradise come together to form this fresh and lively gin.
