AAGRAPH

Our gins are served with Schweppes tonics, carefully selected for their natural botanicals and perfect carbonation to enhance the taste.

Juniper, coriander, angelica, almonds, cubeb berries, lemon peel, orris, liquorice, cassia bark and gran of paradise come together to form this fresh and lively gin.

Initial burst of refreshing rhubarb and citrus from the grapefruit base gives way to juniper before a very smooth berbeaceous sweetness, led by sweet cicely and a light green tea scented with jasmine blossom. Pairs perfectly with tonic water, garnished with a twist of grapefruit peel and blueberries.

London Dry Gin has been crafted using locally sourced botanicals that are synonymous with the beautiful and restorative nature of Harrogate including Primrose, sweet cicely, nettle, rhubarb, milk thistle, rosehip and Taylors of Harrogate green and jasmine tea.

Slingsby Gooseberry gin is crafted using the world-famous Harrogate aquifer water, pure single grain spirit and locally sourced botanicals synonymous with the restorative nature of the town. Yorkshire gooseberries bring an unmistakable tangy sharpness, tempered with a fruity sweetness.

Initially clean, dry juniper joined by an emerging sweetness with a pleasant mellow bitterness that leads onto delicate anise tones and a dessert spice kick. Pairs perfectly with Frankin & Sons Natural Indian Tonic Water and garnished with orange.

Expertly infused with the finest ingredients and natural fruit flavours that made Kopparberg famous, for a bold and balanced taste. Juniper and coriander botanicals are combined with the natural flavours of lime and strawberry.

Paired with Franklin & Sons Natural Light Tonic Water, garnished with slices of red apple. Elephant Dry Gin is distilled in Germany using 14 botanicals that include some rather unusual African ingredients like Baobab, the Buchu plant, Devil's Claw and African Woodworm. 15% of Elephant Gin's profits are donated to two elephant foundations to help protect against poaching.

A robust and powerful with plenty of spice, fruit and herbal flavours. Lime or sage - Indian Tonic or Ginger Ale.
